

ROBERT A. LEONARD JR.
CHARITABLE TRUST

JEREMIAH HOLLIS,
2016 Award Recipient,
Birmingham Brother Rice High
School '16, University of
Michigan '20

Jeremiah Hollis was one of the first awardees of the Robert A. Leonard Jr. Charitable Trust scholarship. Jeremiah attended the University of Michigan and graduated in the class of 2020. We celebrate Jeremiah and his achievements which include graduating with a BS Bio-Engineering with Honors plus Cum Laude, & National Phi Beta Kappa Honor recognition. Additionally, we are happy that Jeremiah took an internship with Microsoft during the summer which resulted in him being offered and accepting a full-time job with Microsoft in Seattle, Washington. What a thrill for us all and what an amazing journey he has had.

Jeremiah quotes, *“Just think it started with RAL Trust scholarship in June 2016. Thank you once again for believing and supporting me with your scholarship.”*
